## 4. Personal and Business Data:

This information is provided for the following specific reasons	
1	... to enable TÜV Rheinland Industrie Service GmbH, Automation, Functional Safety & Cyber Security, to contact me regarding my FS Engineer (TÜV Rheinland) certificate,
2	... to enable TÜV Rheinland Industrie Service GmbH, Automation, Functional Safety & Cyber Security, to contact me in the future by email for any issues related to my FS Engineer (TÜV Rheinland) certificate.
I confirm that TÜV Rheinland is a Data Processor in the context of the GDPR, and collects information which entails the following data processing:	
1	Collecting contact details – including business email address.
2	Collecting eligibility information including name, mailing address, employment history, copy of relevant academic history and qualifications or employer letter certifying experience.
3	Recording my name, contact details and examination results.
4	Issuing a certificate including my name and country of my location.
5	Listing my name, country of my location, ID number of certificate and topic of training I attended on the TÜV Rheinland website.
6	Storing of this data.
	I give my consent for the collection and processing of my personal data as outlined above.
	I <b>do not</b> give my consent for the collection and processing of my personal data as outlined above – I understand that this will mean that I will not get my FS Engineer (TÜV Rheinland) certificate.
	I understand that I am able to change and/or update contact information by contacting TÜV Rheinland.
	I <b>do not</b> wish to be contacted by TÜV Rheinland about further information.
